Just a reminder, as previously discussed, these email addresses are for the submission of BBA certifications only. Any other correspondence, including request to add or remove individuals should be sent to the HIPPA Workgroup email address.
Thank you for your attention to this matter.

Subject: Emails into BBA test or Prod

Lori,

Do we have anyone checking emails that come into the BBA test or Prod inboxes? We have had a number of request lately come into those inboxes where people are requesting to be removed from the list, and we've had a number of delivery failure notices there also. These emails cause problems when sweepemail scans the inbox for validation emails, and they must be manually removed. My real concern is whether or not any action is being taken to remove those who request such. On the others, we need to figure out what to do about out-of-office auto-replies and invalid recipient replies.

Thanks!
